2018-19 COLLECTION

FABRIC: PACIFIC BLUE

FEATURES

- ▲ Vinyl woven mesh windscreen ensures comfort and provides added stability during windy coastal conditions.
- ▲ 9 oz. marine grade acrylic fabric.
- ▲ Maintenance free stainless steel hardware.

Manufactured with beautiful 9 oz. marine grade acrylic fabric that offers unmatched UV protection and longevity, this concession grade cabana is easy to clean, mold and mildew resistant, and has a guarantee against fading. Don't be fooled with lighter, 8 oz. furniture/cushion grade fabric that can sag or stretch over time. For concession grade, 9 oz. is the only solution.

Shade & protect your guests in comfort with the Concession Grade Beach Cabana. The solid aluminum frame is self-repairable (making maintenance a "breeze"). The folding clamshell design, 9 oz. marine grade acrylic, stainless steel parts, and mesh windscreen ensure your beach front will be the envy of everyone!
