— Commercial Outdoor Furniture —

MyTCoat

— Commercial Outdoor Furniture —

Welcome to the next evolution of commercial outdoor furniture!

MyTCoat is an esteemed American outdoor furniture manufacturer located in Whitney, Texas. We produce high-quality picnic tables, park benches, trash receptacles, and other outdoor furnishings. Our company takes pride in being family-owned and operated, with a state-of-the-art manufacturing facility that allows it to offer timely delivery, competitive prices, and top-notch products.

At MyTCoat, we recognize that customer care is crucial for building lasting relationships. Our dedication to quality and customer satisfaction has established a loyal customer base nationwide. If you seek a dependable, customer-focused outdoor furniture manufacturer, look no further than MyTCoat.

The company's ownership is comprised of Robert Webb, Rodney Webb, and Troy Stephens, who have 60 years of combined experience in the outdoor furniture manufacturing industry. MyTCoat has been built on our commitment to customer satisfaction. We have developed a "Three R Company" philosophy that focuses on delivering the Right Products, the Right Delivery, and the Right Price.

Right Products:

Our company takes great pride in delivering top-quality products that are made in America, built to last, and always dependable. We offer an extensive range of coating and color options that is unmatched in the market that consists of 12 standard industrial coating colors, 6 textured coating colors, and our exclusive Advantage coating with 13 colors. Our skilled family of American workers manufacture each product to ensure it can withstand even the harshest

conditions in various settings and climates, from family backyards to schools, sports complexes, and beyond.

Our products are a testament to our quality, as shown by their presence in city parks, campgrounds, and recreation sites worldwide. We invite you to explore our products and experience the quality of our craftsmanship firsthand.

Right Delivery:

Our company is fully committed to providing our customers with the fastest lead times in the industry. We understand that our customers' time is extremely valuable, and we have consistently proven that we deliver on our commitment.

Right Price:

As a company, we are vigilant in monitoring market trends and engaging with industry leaders to offer the most competitive pricing in our industry. Although we acknowledge that cheaply made products have entered the market, we maintain a commitment to producing high quality, American made products at the most competitive price.

As a "Three R Company," we are dedicated to cultivating strong and successful relationships with our valued customers; we are excited to expand the MyTCoat family and we look forward to the opportunity of growing together. Robert, Rodney, Troy and the MyTCoat family invite you to contact us for any inquiries. Our team of experts is ready and available to assist you with your site amenities needs. Visit us at our website, www.mytcoat.com, for more information.

MyTCoat's CORE Values

Keep Employees Happy

Keep Customers Happy

Keep Vendors Happy

MyTCoat Advantage

- ▶ Proprietary Coating
- ▶ Won't Chip, Crack, or Peel
- ▶ 7-Year Warranty
- ▶ 13 Available Colors

MyTCoat's Advantage Coating is our proprietary coating unique only to MyTCoat. This state-of-the-art coating will not chip, crack or peel. It doesn't have any drips or runs, and it is the most durable coating on the market. The Advantage coating comes with a 7-year Warranty and is available in 13 Different Colors.

MyTCoat Industry Standard

- ▶ Premium Polyethylene Coating
- ▶ Best Price in the Industry
- ▶ 5-Year Warranty
- ▶ 12 Available Colors

When prices are the main factor that will drive your sales, then look to the Industry Standard line. This coating has been proven to withstand the elements at an affordable price. We have the most color options available with a 5-year warranty. 12 colors are available.

MyTCoat Textured

- ▶ Premium Textured
- ▶ Best Price in the Industry
- ▶ 7-Year Warranty
- ▶ 6 Available Colors

Looking for a new spin on a reliable classic? We added texture to our Premium Polyethylene Coating for a more scratch and mar resistance with a little added style. 7-year warranty. 6 new colors available.

Notes about colors:

Colors may vary between different coatings.

Frame Colors: Powder coated frames can be ordered to match the tops and seat color, if the color is not specified on the order, black will be entered into the order processing system.

Surface Mounting & Covers

One of the easiest and fastest ways to convert a portable style table to either inground mount or surface mount, is to use our surface mount clamp or inground mount kit for portable tables.

MyTCoat Provides Surface Mount Covers for a variety of our Benches and Bike Racks. The covers come in two sections and screw together for easy installation after the product has been installed.

Hardware & Common Materials

Hardware

- ▶ Corrosion Resistant
- ▶ Chemical Resistant
- ▶ Weathering Resistant

MyTCoat uses Xylan coated hardware that offers the best quality to match our products. Benefits of Xylan Coating are:

- Corrosion and Chemical Resistance
- Weather Resistance – sunlight and salt water
- Wear resistant, even under extreme pressure
- Wider temperature range

Common Material Description

 Expanded Metal - 3/4" #9 Flattened Expanded Metal

 Punched Steel - 1/2" Hole 12 gauge Punched Steel

 Slatted Steel - 11 gauge Steel

Frames are designed with Galvanized tubing. All Cast Frames are made of Cast Aluminum.

Custom

Custom

We understand that our products can serve a purpose beyond their basic function, and we are here to help meet every need that we can. For instance, we have actively taken part in the "Buddy Bench" Program, originally developed to help children be aware of those around them who might need a friend and to serve as an anti-bullying tool.

In conjunction with the customer, we regularly design company logos, school mascots, sports team logos, memorial plaques, and much more into our products. We specialize in working with our customers to understand their needs and translate them into a beautiful and meaningful display. There are endless possibilities, send us the artwork, and let us show you what we can do.

Games Tables

The game top is an easy and affordable way to add fun to your picnic tables. The game top can be added to any style table. It offers a 24" x 24" play surface with 3" squares. Chips not included.

Terms and Payment: Terms will be set up on a per customer basis based on criteria set by MyTCoat. For customers who do not meet the requirements, prepayment for full amount of Invoice will be required before product is produced. Invoices are considered a sales contract and payment is due upon terms. If payment goes beyond terms a “Late Fee” may be incurred no less than 1.5% and up to 5% of total invoice excluding Tax (when applicable). MyTCoat accepts Business Checks (Personnel Checks are only accepted after check has been deposited and cleared by customers financial institution), ACH payments, and all major Credit Cards. Credit Card payments are accepted via the internet with a small “service charge”.

Warranty: MyTCoat offers a 7-year limited warranty on all Advantage coated parts, 5-year limited warranty on Industry Standard coated parts, 7-year limited warranty on all Textured coated parts, and 1-year limited warranty on all Powder Coated parts. All other parts are warranted for one year to be free of workmanship or material defects. In order for warranty to apply, all products must be installed and maintained properly. If an item falls under warranty, we agree to repair or replace that item. Warranty does not cover vandalism, disasters (man-made or natural), naturally occurring weathering and wear-and-tear, and improper maintenance or installation. For a copy of warranty information, please contact customer service.

Cancellations: All Cancellations must be approved by MyTCoat prior to shipping any product back. Return Freight shall be arranged by customer and any incurred freight expense for a return shall be pre-paid by customer. Any orders that are canceled after product has been produced is subject to restocking fee. Custom Lettering, Logos, or Color will be approved by customer, after approval NO cancellation will be accepted.

Freight Damage or Loss: All shipments must be inspected at the time of Delivery (no exceptions). Any visible damage must be noted on the delivery receipt and MyTCoat must be notified immediately. If the damage is concealed, the customer must notify MyTCoat within 5 days along with a detailed description of the damage and pictures. Replacements for any freight damage will be at the customer’s expense if any of the criteria above is not met. Customer assumes ownership of goods at the time the product is loaded onto transport.

Specifications: All Specifications are available through customer service. Any product that is sold as “Accessible” adheres to the Americans with Disability Act 2010 guideline. Specifications are subject to change at any time, please ask for the most current copy of product specification before purchase.

All products are shipped un-assembled, assembly instructions are available through customer service or our website.
